

Public High School

School Profile

Cleveland Public Schools was established in 1898, almost 10 years before Oklahoma decided to become a recognized state and joined the United States of America. CPS has a deep sense of pride in their heritage and is committed to shaping the future. Cleveland Public Schools is a kindergarten-12th grade Public School System educating 1800 students each year. Students have a variety of opportunities including on campus concurrent college enrollment for juniors and seniors as well as various clubs, activities, and sports for all school age students. The student population is very inclusive and welcomes students from all cultures. The Cleveland School District teachers are among the best in the state and Advanced Placement Courses are offered in both Math and English.
