

Public High School

School Profile

Providing students with the best education possible is the first priority of teachers and staff members in the Deer Valley Unified School District. A basic, traditional educational program is offered to all students. The school offer students the ability to enroll in dual credits online. DVUSD has partnered with Rio Salado Community College to offer eSchool dual enrollment classes, in which students can earn both high school and college credits. New electives and advanced placement courses will be added to the program including Art Humanities, Computer Applications, Accounting, and Information Technology.
