

Public High School

School Profile

Welcome to Mesa Public Schools, where the needs of the student come first. MPS is an award-winning district with high academic expectations. U.S. News & World Report and School Evaluation Services honored five high schools within the district “Best High Schools” among numerous other awards in 2010. The district is nationally recognized for student achievement in academics, sports, creative and performing arts, and career and technical programs. MPS is a leader in providing educational choices to students and their parents from kindergarten through 12th grade. Teachers and staff are extremely motivated and will always have an open ear for students’ problems and needs.
