

## Public High School

### School Profile

Paradise Valley Unified School District offers a premiere education to students in 9th through 12th grade. The district offers a variety of education choice programs, including K-12 International Baccalaureate, Core Knowledge®, S.T.E.M.G2 (Science, Technology, Engineering, Mathematics and Global Geography), Digital Learning Center, fine arts, career & technical education, before- and after-school programs, and extracurricular activities for all ages. The district is located in and serves the communities of northeast Phoenix and a portion of north Scottsdale. With 33,500 students, they are the seventh-largest school district in the state of Arizona.
