

## Private Day School

### School Profile

The Newman School is a private high school with approximately 250 students, located in the heart of Boston in the historic Back Bay neighborhood. The school's central location in Boston makes it unique as the students use the city as their classroom. Students are only a few blocks from the Boston Public Library and Museum of Fine Arts. In addition to a rigorous core curriculum and diverse elective options, students are encouraged to take part in all that The Newman School has to offer. Athletic programs, clubs, community service projects and participation in other activities, complete the Newman experience. Fifty percent of the students participate in competitive sports teams that include baseball, soccer, basketball, tennis and rowing.
