WHY CHOOSE MONAGHAN COLLEGIATE?

For many years the school has welcomed pupils from all over the world. The intimate school setting and excellent teaching and learning facilities has attracted students from many countries around the world. Some students have stayed to successfully complete their Leaving Certificate and gone on to University both in Ireland and abroad. The overseas students come to experience the Irish education system and culture and they are pleased to say that they greatly enrich their school. The school host an International Day each

year so that the students can showcase their country and culture and enable all students to learn from each other. Overseas students are also prepared for one or more of three examinations from the Cambridge suite of examinations. This enables the student complete an internationally recognised qualification in English which is highly beneficial in education, the world of work and in some cases to obtain a working visa.
